

A banner image at the top of the page showing a view of space with the Earth's horizon, a bright sun, a dark asteroid, and the reddish surface of Mars.

Space Resources Roundtable and
Planetary & Terrestrial Mining Sciences Symposium

***Eighth Joint Meeting of the
Space Resources Roundtable
and the
Planetary & Terrestrial Mining Sciences Symposium***

**Palais des Congrès de Montréal
Montréal, QC, Canada
May 1-3, 2017**

STUDENT SCHOLARSHIPS

This year a few scholarships are available to offset travel and registration costs for undergraduate and graduate students participating in the meeting. Scholarship recipients are required to give a presentation.

Applicants must submit a letter of application (along with their abstract) stating how their research contributes to the space resources field. A letter of support from their advisor, or other faculty member familiar with their interest in ISRU is also required. All material should be submitted in PDF format (preferred) or Microsoft Word by February 28th to Angel Abbud-Madrid at: aabbudma@mines.edu
